Mr. Quindo has been participating in Process groups and Psycho-Educational classes. He is currently mandated to attend four (4) hours per week but has consistently participated in the full nine (9) hours that we offer. Urinalysis Testing screens for six (6) substances; THC, Morphine, Methamphetamine, Opiates, Benzodiazepines and Alcohol and is done on a random basis. Mr. Quindo has tested negative for all substances.

Mr. Quindo has been doing well and there are no behavioral issues to be concerned with at this time. Mr. Quindo has determined that completing his education is his priority. Mr. Quindo has been tasked with acquiring all of the necessary information so that he can begin taking classes at the Guam Community College to pursue this endeavor.
